This booklet gives the times of connected bus journeys from Hassocks to neighbouring towns and villages. To help those who find it difficult to walk to Stonepound Crossroads the journeys mainly start in the village centre. However journeys can often be speeded up by starting from Stonepound. Taking a taxi to and from Stonepound should be seriously considered for those with a free bus pass as the additional cost may be worth it in view of the free onward travel. This obviously requires a mobile phone with the taxi phone number in the address book.

Times are mainly given from the Royal Mail Sorting Office (PO) or the United Reformed Church (URC)

For some destinations it is much quicker to go by train. Again a taxi to the station should be considered by those with mobility problems.

We have taken every effort to be accurate and have had the assistance of Countryliner and Metrobus in checking some of the details. If errors have slipped through please let us know.

For those with access to the internet, Traveline will give detailed travel instructions, door to door. The web-site is www.travelinesoutheast.org.uk However Traveline does sometimes have errors. The best approach is to use it to plan journeys but check the details from the operators own timetables. The local ones can be accessed from www.countryliner-coaches.co.uk/timetables or www.metrobus.co.uk or [www,buses.co.uk](http://www.buses.co.uk) (Brighton and Hove) or www.stagecoach.com or www.compass-travel.co.uk .

WARNING: Routes 33 and 40X will be affected by the closure of Rocky Lane in 2008 in connection with the building of a new bridge over the railway. A revised timetable will be issued by Countryliner-coaches and this booklet will be revised.
